**Vancouver, B.C., August 20, 2021:** The **SNOWLINE GOLD CORP. (CSE: SGD) (US OTC: SNWGF)** (the “**Company**” or “**Snowline**”) Board of Directors is pleased to announce the appointment of Scott Berdahl as the Company’s new Chief Executive Officer. Mr. Berdahl will be promoted from his previous role as Chief Operating Officer, emphasizing a shift to a strong technical focus for Snowline. The promotion is effective immediately and Mr. Berdahl will retain his position as Director.

Mr. Berdahl is a professional geologist with over 15 years of industry experience. His skill sets provide the company with considerable technical expertise for the management of the mineral exploration discovery process.

This appointment follows notice from Nikolas Matysek who will be leaving as CEO and a Director of the company to pursue personal and other business interests. “The Board greatly appreciates Nikolas’ contributions to the company, particularly through its early development to become an ambitious mineral explorer, and for laying solid administrative and financial foundations.” remarked Chairman Craig Hart.

The Board is considering the provision of additional support to the management team.
